STATEMENT OF PURPOSE:

The Christ Temple Bible College is chartered in the state of Ohio to grant diplomas to individuals who have met the requirement for individualized programs of study. The College is accredited by the Accrediting Commission International Accrediting Institute, a non-government accrediting institute for schools, colleges, and theological seminaries. The credit units required for various degree levels are as follows:

- **Associate (60) credit units**
- **Bachelor (128) credit units**
- **Master (36) credit units**
- **Doctorate (66) credit units**

These units are generally obtained through completion of required courses, seminars, independent studies, special projects, and or assessment of transfer credits and life-long training, education, and experiences. Doctorate and Master degree candidates are required to complete a book, doctoral project, or dissertational and oral presentation.

The purpose of the College is to provide a quality, systematic program of study which will enhance, equip, and qualify individuals for service in various Christian ministers. In keeping with this purpose, the College does not authorize recipients of degrees to use their degree to obtain secular jobs/ promotions which require academic degrees or related training.
